To the Shareholders

Dear Sir or Madam,

**PROPOSALS INVOLVING GENERAL MANDATES TO
REPURCHASE SHARES AND TO ISSUE SHARES,
RE-ELECTION OF DIRECTORS
AND
NOTICE OF ANNUAL GENERAL MEETING**

1. GENERAL MANDATE TO REPURCHASE SHARES

At the Annual General Meeting, an ordinary resolution will be proposed that the Directors be given a general and unconditional mandate to exercise all the powers of the Company to repurchase Shares subject to the criteria set out in this circular. In particular, Shareholders should note that the maximum number of Shares which may be repurchased

LETTER FROM THE BOARD

pursuant to the general mandate will be 10 per cent. of the total number of Shares in issue as at the date of passing the resolution. As at the Latest Practicable Date, the issued share capital of the Company comprised 915,475,110 Shares. Subject to the passing of the proposed resolution for the grant of the repurchase mandate at the Annual General Meeting and on the basis that no further Shares were issued or repurchased between the Latest Practicable Date and the Annual General Meeting, the Company would be allowed to repurchase a maximum of 91,547,511 Shares. Shareholders should note that the authority relates only to purchases made on the Stock Exchange and otherwise in accordance with the Listing Rules. An explanatory statement as required under the Listing Rules to provide the requisite information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the proposed resolution of the grant of the repurchase mandate at the Annual General Meeting is set out below.

2. REASONS FOR REPURCHASE OF SHARES

Trading conditions on the Stock Exchange have sometimes become volatile in recent years. Whilst it is not possible to anticipate in advance those circumstances in which the Directors might think it is appropriate to repurchase Shares, Shares would only be repurchased in circumstances where the Directors consider that the purchase would be in the best interests of the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share.

3. SOURCE OF FUNDS

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its articles of association and the Companies Ordinance. The Companies Ordinance provides that the amount of capital repaid in connection with a repurchase of Shares may only be paid from the distributable profits of the Company or from the proceeds of a new issue of Shares made for the purpose of the repurchases. The Shares repurchased will be treated as cancelled.

There might be an adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the latest published audited consolidated accounts contained in the annual report of the Company for the year ended 31 March 2023) in the event that the proposed repurchase mandate is to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the repurchase mandate to such an extent as would give rise to a material adverse effect on the working capital requirements or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

LETTER FROM THE BOARD

4. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their close associates has any present intention, in the event that the proposal is approved by the Shareholders, to sell Shares to the Company.

No core connected person of the Company has notified the Company that he/she/it has any present intention to sell any Shares to the Company nor has he/she/it undertaken not to sell any Shares held by him/her/it to the Company in the event that the Company is authorised to make repurchases of Shares.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed resolution and in accordance with the articles of association of the Company, the Listing Rules and all applicable laws of Hong Kong.

6. EFFECT OF TAKEOVERS CODE

If as a result of repurchases of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company is increased, such an increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. As at the Latest Practicable Date, Mr. Victor LO Chung Wing and parties acting in concert with him together held approximately 49.0 per cent. of the Shares in issue and will together hold approximately 54.5 per cent. of the Shares in issue upon exercise in full of the repurchase mandate, if so approved at the Annual General Meeting. In the absence of any special circumstances, such increase may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code but it would not result in the number of Shares in the hands of the public falling below the prescribed minimum percentage as required by Rule 8.08 of the Listing Rules. The Company shall comply with the Listing Rules and/or the Takeovers Code should the repurchase mandate be exercised to such an extent that will result in a mandatory offer being triggered under the Takeovers Code. Save as aforesaid and as at the Latest Practicable Date, the Directors are not aware of any consequence which the exercise in full of the repurchase mandate, if so approved at the Annual General Meeting, would arise under the Takeovers Code.

LETTER FROM THE BOARD

9. GENERAL MANDATE TO ISSUE SHARES

At the Annual General Meeting a resolution will be proposed that the Directors be given a general and unconditional mandate to issue new Shares. This mandate will relate to such number of Shares representing 20 per cent. of the total number of Shares in issue on the date on which the resolution is passed and the total number of Shares purchased under the authority to repurchase Shares referred to above. As at the Latest Practicable Date, the issued share capital of the Company comprised 915,475,110 Shares. Subject to the passing of the proposed resolution for the grant of the general mandate to issue Shares at the Annual General Meeting and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the Annual General Meeting, the Company would be allowed to issue a maximum of 183,095,022 Shares. The Directors have no present intention to issue any new Shares pursuant to the mandate to issue new Shares proposed to be granted to them at the Annual General Meeting.
